

**HB EXTERIOR
DESIGN ELEMENTS™**
HB ELEMENTS® PERGOLAS/TRELLIS

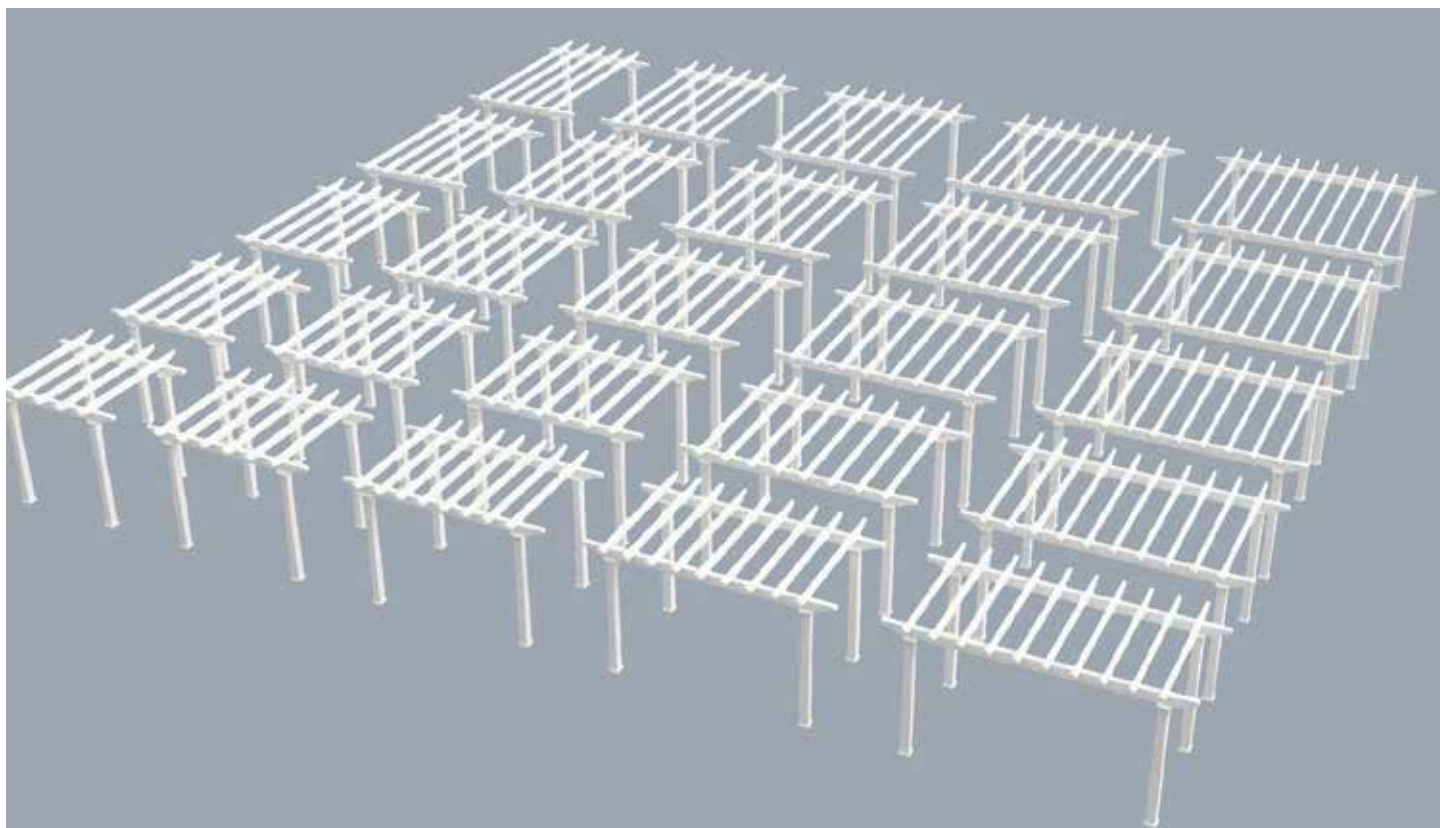

Through history trellis' have evolved from a structure supporting vine stock to now as an entertaining area or place to get out of the sun. Our HB Elements® trellis' and pergola structures are also improved by adding brackets, louvers or grills between columns, and detail panels beside the columns. There are a vast number of beam and rafter sizes & profiles available. Scan QR Code to view more on our Pergolas.
